Almost

Retard-O-Bot

You will never be who I am
You may never see what I can
Probably never be everything you are
We cannot agree on anythingEverything you do is better
Everything you say is right
Anything I do, just won't do
Still you find a way to justifyNegative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticismI will never be who you are
I may never see what you do
Probably never be just like me
Still cannot agree on anythingAnything you do is better
Everything you say is right
Anything I do, just won't do
Still you find a way to justifyNegative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticismYou will never be who I am
You may never see what I can
Probably never be everything you are
We cannot agree on anythingEverything you do is better
Everything you say is right
All we ever do is bitch and fight
Still you find a way to pass the timeAlmost alwaysNegative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism

Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
Negative criticism
