

Don't Give Up

Panam Percy Paul

DON'T GIVE UP by Panam Percy Paul

Its not time to give up now. But its time to stand

Solo 1

You have been so strong
You cannot be wrong
Cos in the past, you have overcome
On your face, there is a light, that shows you are a winner
You are a gem in this life; your glory will soon unfold
You cannot afford to faint in the face of many trials
It is time to stand and overcome again

Chorus: (x2)

Don't give up, Its not over
When you give up, Then its over
Hold-on to the Lord, and Trouble not your heart
Even when you fail, It's not over

Solo 2:

There is no obstacle, that you cannot overcome
You are strong and able to stand
Even though there be fire, it will make you pure as gold
Even though there be rivers, I know you can build a bridge
You cannot afford to faint in the face of these trials
It is time to stand and overcome again

<> 2x

Bridge:

Its time for you to stand, Its not over
This is the time for you to stand, It's not over (x2)
Don't give up!!
