Roll the Dice

Beth Orton

She said I put a spell on you
He said there's nothin' I could do
And I wouldn't love the way I do if I didn't know that it was true
And I'd never love the way I do since I began losing you
And nothing can compare to when you roll the dice and you swear your loves for me
And she don't know if she can keep it together foreverShe said I only want to possess you, it's dangerous
He said I only try to impress you, it's strangeness
And I wouldn't love the way I do if I didn't know that it was true
And I'd never love the way I do since I began losing youNothing can compare to when you roll the dice and you swear your loves for me
And she don't know if she can keep it together forever
And nothing can compare to when you roll the dice and you swear your loves for me
And she don't know if she can keep it together forever
