

# Roll the Dice

Beth Orton

She said I put a spell on you  
He said there's nothin' I could do  
And I wouldn't love the way I do if I didn't know that it was true  
And I'd never love the way I do since I began losing you  
And nothing can compare to when you roll the dice and you swear your loves for me  
And she don't know if she can keep it together forever  
She said I only want to possess you, it's dangerous  
He said I only try to impress you, it's strangeness  
And I wouldn't love the way I do if I didn't know that it was true  
And I'd never love the way I do since I began losing you  
Nothing can compare to when you roll the dice and you  
swear your loves for me  
And she don't know if she can keep it together forever  
And nothing can compare to when you roll the dice and you swear your loves for me  
And she don't know if she can keep it together forever
