

Ave!

Samael

Paramount to every new start,
Past is the fuel we'll burn to go on
Fire in the head and peace in the heart
Cores of our souls are ready to take onAve! gloria with you all around the world
Ave! fortuna the gold is calling for goldOn... yeah! On an ever rising goal...
Reinforcingour plan multiplying the links
Self-improvement, sempiternal growth
Money's magnet diamonds and platinum
Paving our roads and cementing the chinks
Tantamount to the art of climbing,
Life is a trek that takes us higher
Panoramic view of understanding
Coalescence of spirit and matterAve! gloria with you all around the world
Ave! fortuna the gold is calling for goldIsn't more a bit less on a different scale
Add a step to the top and the top you've known
Will come to the bottom of a brand new stair
Now marching on... yeah!
On... yeah! on an ever rising goal...
Reinforcing our plan, multiplying the links
Self-improvement, sempiternal growth
Money's magnet diamonds and platinum
Paving our roads and cementing the chinks
