Girl, I'm always there to maintain
Through thunderstorms or in the pouring rain
But **** with you is not the same
Loving you, still I cause you pain
Carry on baby don't you be ashamed
Baby, do wat you do because it's not in vain
Shout it out, scream my name, scream my name
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
The nights are slow, as I flex her bones, on tips and toes
Cutting it close because she doesn't live alone
God knows, how much, she loves, my crazy flow
So I guess you know by now
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni

Sweet tenderoni
Sweet tenderoni
Sweet tenderoni
She nuh wah nobody but me

True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
Girl, I'm always there to maintain
Through thunderstorms or in the pouring rain
But **** with you is not the same
Loving you, still I cause you pain
Carry on baby don't you be ashamed
Baby, do wat you do because its not in vain
Shout it out, scream my name, scream my name
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
The nights are slow, as I flex her bones, on tips and toes
Cutting it close because she doesn't live alone
God knows, how much, she loves, my crazy flow
So I guess you know by now
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
She nuh wah nobody but me
True mi put on it sweeta dan he
And mi give har it permanently
She's my sweet tenderoni
She nuh wah nobody but me
True mi put on it sweeta dan he

And mi give har it permanently
She's my sweet tenderoni
