# Dangerous

## Before You Exit

OOO-Woah oh
I Fell in Love with a Criminal
She Stole my Heart and I didn't Know
She got me Hooked after Just a Touch
Like, Oooo She's So DangerousShe Got me Locked Up, Tossin the key
Even if i Tried to Run, She Wouldn't Let me Leave
This Could be Love. How Could that be?
I'm Fallin' For Perfect little Heaven of a Thief
Bringing me Down, But Bringing me Up
Not the type of Girl, That you would ever Wanna Trust
Like, Oooo She's So DangerousShe's Got a First time Kiss That Will
Lock You in
She's Gonna Break your Heart
But you Can't Resist
I know That i just Met her
I know i Should Know BetterOooo She's So DangerousI thought She was just so Innocent
And from the start, i was Givin' In
She's Such a Wreck and i can't ForgetThat Oooo She's So DangerousShe Got me Locked Up, Tossin the key
Even if i Tried to Run, She Wouldn't Let me Leave
This Could be Love. How Could that be?
I'm Fallin' For Perfect little Heaven of a Thief
Bringing me Down, But Bringing me Up
Not the type of Girl, That you would ever Wanna Trust
Like, Oooo She's So DangerousShe's Got a First time Kiss That Will
Lock You in
She's Gonna Break your Heart
But you Can't Resist
I know That i just Met her
I know i Should Know BetterOooo She's So DangerousShe's Gonna Let you Down
But You'll Take her Back
She's just a One Way Trip, To a Heart attack
I know That i just Met her
I know i Should Know BetterOooo She's So DangerousWas Just a Shot in the Dark
Now i Don't Where it will Land
I Let her Tear me Apart, YeahI wish It Never BeganShe's Got a First time Kiss That Will
Lock You in
She's Gonna Break your Heart
But you Can't Resist
I know That i just Met her

I know i Should Know BetterOooo She's So DangerousShe's Gonna Let you Down
But You'll Take her Back
She's just a One Way Trip, To a Heart attack
I know That i just Met her
I know i Should Know BetterOooo She's So Dangerous
Oooo She's So Dangerous
Oh Yeah
Oooo She's So Dangerous
