

Saturdays (Headman Remix)

Cut Copy

When I am looking for you,
I call your number
But I can't get through. When I am looking for you,
I call your number
But I can't get through. When I am looking for you,
I call your number
But I can't get through. When I am looking for you,
I call your number
But I can't get through. There is a feeling in me
And I don't know why.
Is there a feeling in you
That you can't deny? There is a feeling in me
And I don't know why.
Is there a feeling in you
That you can't deny? There is a feeling in me
And I don't know why.
Is there a feeling in you
That you can't deny? There is a feeling in me
And I don't know why.
Is there a feeling in you
That you can't deny? There is a feeling in me
And I don't know why.
Is there a feeling in you
That you can't deny?
