

# All I Need

## House of Shem

Never have I felt this way before, til I looked into your eyes  
Baby, said without you girl, my life would be upside down  
So don't ever think twice baby, that I'll ever leave your side  
Though we \_\_\_\_\_?, girl we will see, yeah

All I need is you (All I need is you)  
You bring a smile upon my face  
All I need is you (All I need is you)  
You're the one that lights the way  
All I need is you (All I need is you)  
You bring a smile upon my face  
All I need is you, all I need is you, all I need is you yeah

Something about you baby, makes me feel like I'm a king  
Baby, you're my queen forever, for you this song I sing  
Take you by the hand cause I want to be the one  
That will always see you through  
Stand by me and girl maybe you will see  
All our dreams come true

All I need is you (All I need is you)  
You bring a smile upon my face  
All I need is you (All I need is you)  
You're the one that lights the way  
All I need is you (All I need is you)  
You bring a smile upon my face  
All I need is you, all I need is you, all I need is you yeah

You know that we can make it through, cause all I need, baby is you  
When times get hard, when times get tough  
You're the only one I'm thinking of  
There's nothing, no stone unturned  
There are lessons in life we must learn  
So I give thanks for the blessing of you, my one and only

All I need is you (All I need is you)  
You bring a smile upon my face  
All I need is you (All I need is you)  
You're the one that lights the way  
All I need is you (All I need is you)

You bring a smile upon my face  
All I need is you, all I need is you, all I need is you yeah
