Mannequin Factory

Porcelain Black

Only gonna love us
Slowly gonna love us
We're beautiful, beautiful
Only wanna kiss us
Slowly wanna dress us
We're beautiful, beautiful
Yeah, look at me
Tell me what you see
Am I, I a creep
'Cause I, I don't even know
Are you impressed
Do you like my dress
Am I worst or best
Oh wait I don't really care
What you see is what you get
Dressed in burlesque
While I'm hiding from the sun
Strut in the streets
Fashion, I'm a freak
Look, look, look at me
I'm a, I'm a loaded gun
Different strokes for different folks
Different strokes for different folks
Only gonna love us
Slowly gonna love us
We're beautiful, beautiful
Only wanna kiss us
Slowly wanna dress us
We're beautiful, beautiful
Oh oh oh oh oh
We're all mannequins
Oh oh oh oh oh
Built in a factory
Oh oh oh oh oh
We're all mannequins
Oh oh oh oh oh
Built in a factory
Yeah, look at me
Am I a perfect T

Am I too unique
I, I just gotta know
...
...

With the plastic
Are you, are you gonna come
Out with the best
Dressed to impress
Lipstick's a mess
Oh wait I don't really care
... in my hair
We can rock over there
So let's stop and stare
...
Different strokes for different folks
Different strokes for different folks
Only gonna love us
Slowly gonna love us
We're beautiful, beautiful
Only wanna kiss us
Slowly wanna dress us
We're beautiful, beautiful
Oh oh oh oh oh
We're all mannequins
Oh oh oh oh oh
Built in a factory
Oh oh oh oh oh
We're all mannequins
Oh oh oh oh oh
Built in a factory
We're all mannequins
Built in a factory
We're all mannequins
Only gonna love us
Slowly gonna love us
We're beautiful, beautiful
Only wanna kiss us
Slowly wanna dress us
We're beautiful, beautiful
Oh oh oh oh oh
We're all mannequins
Oh oh oh oh oh
Built in a factory
Oh oh oh oh oh

We're all mannequins
Oh oh oh oh oh
Built in a factory
