

Just What I Do

Trick Pony

It's just what I do when I can't get no lovin'

Just what I do when I can't get no lovin'

Hit it!

One, two, three, four

Jesse James was an outlaw man

He was always breakin' the law

Six guns firing from both his hands

Fastest you ever saw

Did he do it for the money

Or was it for the fame?

Finally somebody asked him

"Jesse, why you wanna rob them trains?"

And Jessie said

"It's just what I do when I can't get no lovin'

Just what I do when I can't get no lovin'

I'm the meanest hombre you ever saw

'Cause lately I ain't gettin' no lovin' at all

It's just what I do, it's just what I do"

Well Orville Wight set his sights

High up in the air

And him and Wilbur worked day and night

He didn't seem to care

Well the town folk said if you were meant to fly

God would have given you wings

What makes you want to spend all of your time

Building that flying machine

And Orville said

"It's just what I do when I can't get no lovin'

Just what I do when I can't get no lovin'

I'm the first flight boy you ever saw

'Cause lately I ain't gettin' no lovin' at all

It's just what I do, it's just what I do", oh yeah

Well Picasso painted them pictures

There was beauty in every stroke

When asked about his motivation

He said, "I think it's 'bout time you should know"

It's just what I do when I can't get no lovin'

Just what I do when I can't get no lovin'

I'm the workinest painter that you ever saw
'Cause lately I ain't gettin' no lovin' at all
It's just what I do, it's just what I do, it's just what I do
It's just what I do when I can't get no lovin'
