

# My Desire

Yolanda Adams

Take away any desire in me that hurts You  
Take away anything that stands between You and me  
I want to be what You created me to be  
It's my desire that You find favor in me  
Lord, take away anything that displeases You Take away any evil thought within me  
Take away anything that proves to break Your heart  
I want to be in sweet communion with You  
It's my desire to do everything You want me to do  
Lord, take away anything that displeases You Remove all doubt, all insecurity  
Erase all hate, all iniquity  
Discard all the fear found deep within me  
Lord, take away anything that displeases You Take away Lord  
Take away  
Take away any desire in me that hurts You  
Take it away
