

What Would It Be Like

3rd Storee

You know I had a few
Girl are thought would to
The where there just to please me, ooo You know I had my share
True player, I did it again
I only wanted to do things my way, baby Ohh, I got to get a chance with this
Ohh, first I feel so I can get with this
Ooh, I can't believe she is as hot as this
'Cause I wonder if I guy would miss What would it be like if I was with you, girl?
What would it feel like if we there tonight
And kiss in the tank, baby? And what would it be like if you was in the world ?
If you was my babe, girl
That someone lady, what would it be like? I never felt like this
Honey's got me, gonna trip 'cause
I'm feelin' like I need someone to be with you She rides them pretty eyes
She wears them skirt, so ride
She spotted up tonight, she making me so hot Ohh, I got to get a chance with this
Ohh, first I feel so I can get with this
Ooh, I can't believe she is as hot as this
'Cause I wonder if I guy would miss What would it be like if I was with you, girl?
What would it feel like if we there tonight
And kiss in the tank, baby? And what would it be like if you was in the world ?
If you was my babe, girl
That someone lady, what would it be like? Here come, take a ride, babe
And maybe tonight will be the night
The night where you and I will be together
(You will never find out) What would it be like if I was with you, girl?
What would it feel like if we there tonight
And kiss in the tank, baby? And what would it be like if you was in the world ?
If you was my babe, girl
That someone lady, what would it be like? What would it be like if I had you by my side, yeah, yeah?
What would it be like if I had sometime with you tonight?
What would it be like, can it be right
I would like to know, ohh ooo? What would it be like if I had you be my side, ohh, yeah?
What would it be like if I had sometime with you tonight?
