Today I'm Not So Sure

Lloyd Cole

Didn't I promise always to
Shelter and protect you
Didn't I answer - Yes I do
Well, today I'm not so sureDidn't the stars shine awful bright then
Didn't I look into your eyes and
Didn't I swear I'd always be there
Well, yeah, yeah, yeah
Today I'm not so sure
Today I'm not so sureWasn't the world much younger then
Isn't the word indifferent
Wich Best describes this man in descent
Caught beteween love
And what I meantDidn't I promise always to
Shelter and protect you
Didn't I answer - Yes I do
Well, today I'm not so sure
