Drama

Erykah Badu

This world is so dramaticI can't believe
That we're still livin'
Oh, in this crazy, crazy world
That I'm still livin'With all the problems of the day
How can we go on? Hey
So tired of hearin' people say
"How can we go on?"Fantasy people
Make believe people
How can you go on? Yeah
But you're still livin'I can't believe

That we're still livin'
Oh, in this crazy, crazy world

That I'm still livin'With all the problems of the day

How can we go on? Hey

So tired of hearin' people say

"How can we go on?"Fantasy people

Make believe people

How can you go on? Hey

But you're still livin'Race relation, segregation

No occupation, world inflation

Demonstration, mis-education

No celebration to celebrate your livesListen, people, listen

Lift your hearts to God

Teach your children wisdom

Reality today so they can live tomorrowI can't believe

That we're still livin', I can't believe now

Oh, in this crazy, crazy world

That I'm still livin'With all the problems of the day

How can we go on?

So tired of hearin' people say

"How can I go on?"Fantasy people

Make believe people

Go on

But you're still livin'Fantasy people

Make believe people

How can you go on?

But you're still livin'Listen, people, listen

Lift your hearts to God

Teach your children wisdom

Reality todayListen, people, listen
Lift your hearts to God
Teach your children wisdom
Reality todayListen, people, listen
Lift your hearts to God
Teach your children wisdom
Reality today
