Epoch Of Denial

Sinister

Epoch of denial
Visual deceit
Two horned grown in man
Disembody theeEntreaty of lies
From her melting face
Insolent contempt
To divide god's waysRise to the horns of capricorn
Burn at the stake witch burn
Inside the womb dies her unborn
Melt into one repentExecrate the human whore of beast
Rise from the blackened soil
Reborn the epoch of truth
Torture purified the soulVirgin cleansed from demon seed
No longer alive but free
Sacrifice
Innocent lifeYour fear of god
Is fed by superstition
I summon on thee
Victims of inquisitionGather and feed from the corpseSubmit to the call of the beast
Rise from the blackened soil
Reborn the epoch of truth
Torture purified the soulVirgin cleansed from demon seed
No longer alive but free
