Loose Men

Torche

Look out, shade town
Changing my mind
Loving out of self
Protecting, shall we dance
Help decide
A borderlineThe best kin
For northern men
Need to die
Right by your side
The best kin
For northern men
Need to die
Right by your side
They went, wild of things
Leaving behind
Best of the range we held
Like classic, some will chase
And it brings us men again
The best kin
For northern men
Need to die
Right by your side
