Problems

Lil Wayne

ZaytovenIf lovin' me is wrong, I don't wanna be right then, bitch you hatin'
I'm never wrong,
one time thought I was wrong, and I was only mistaken
I live all alone know how to tell the phone talk to you later
I'm never home every time I thought I was home and it was only the matrixOff button
Pause button
Stop button
Lock button
Belly button
Big old tittys she pop buttons
Head butting
Versace button down unbuttoned to the top button
Percosets thats my button
Psychopath
Blunt big
Big as Mama June off the diet plan
Smoking science lab
I should have tattoo that say "I'm not like my dad"
Jesus Christ amen
Might hand in the second hand
She see righteous plans
I see business plans then I lose my mind and my attention span
She see infant hands like ooo lordy
Smelling like Cool Water
Y'all got them new Cartier
The Rollie was too salty
That's rich nigga problems avoid it
My little bitch body a trophy
Naked pics five in the morning
Sunglasses smile emoji
Pull up on the opps surprise party
Better get up and stand up like Bob Marley
That is your homie he died for ya
Check your home screen that's God calling
Making an impact my nigga
We not just black nigga
We rich and black nigga
And all them bitches they been after niggas
They run away then they come back nigga

Amen, feeling like Our Father
Should I get off my high horse?
To get on my flying horses
That's rich nigga problems avoid it
My lil' bitch body will solve it
And when you say timber please will
you whisper my nigga I'm quietly fallingIf lovin' me is wrong, I don't wanna be right then, bitch you hate me
I'm never wrong every time you thought I was only mistaken
I live all alone talk to you later
I'm never home every time I thought I was home it was only the matrixThat's rich nigga problems avoid it
That's rich nigga problems avoid it
That's rich nigga problems avoid itIf lovin' me is wrong, I don't wanna be right then, bitch you hate me
I'm never wrong every time you thought I was only mistaken
I live all alone talk to you later
I'm never home every time I thought I was home it was only the matrixRest In piece
I rest in piece and harmony
I don't talk i speak
I don't pray I preach
I don't play I cheat
At best bet I lead
You fucking a rogue got the fuckin' knee turned
Turn some piggy bank into cheese
But you doing nothing but they say nothing have worth
Well it's always freePsychopath
Blunt big
Big as Mama June off the diet plan
Smoking science lab
I just have tattoo that say I'm nothing like your man
Jesus Christ amen
I ain't hand in the psychics plan she see
She see righteous plans
I see power plans
She take my hands put em in her pants
Do the happy dance then I wipe my hands
Feeling like
I've fallen
Should I get off my high horse?
To get on my flying horseThat's rich nigga problems avoid it
That's rich nigga problems avoid it
That's rich nigga problems avoid itI got bitch nigga problems avoid it
I got bitch nigga problemsMore bitches more problems
