Stay Forever

Ween

In the morning sun, I couldn't tell you I couldn't tell you so many things About how much I really love you About how much you really meanSo far away but it's so easy to see you When I'm away I want to put my arms around you And I want to know do you feel the same way? 'Cause if you do I want to stay foreverAnd I want to know do you feel the same way? 'Cause if you do I want to stay forever With youSo many colors that surround you Some so bright, I can hardly see A light reflects on all the things that make you real Things that make you truly freeSo far away but it's so easy to see you When I'm away I want to put my arms around you And I want to know do you feel the same way? 'Cause if you do I want to stay foreverAnd I want to know do you feel the same way? 'Cause if you do I want to stay forever With you
