

# Holding On (Joe Hertz Remix)

## Tourist

Hotter than the sun, burning me deep  
Saying your name leaves me weak  
Boy, I need you  
A ghost  
Standing in the dark, half in love  
With all I need, but it's not enough  
You won't leave  
A ghost'Cause I'm still holding onto your body  
Still holding onto your body  
I've found another man but  
You keep haunting me  
And I'm still holding onto your body  
Still holding onto your body  
Whenever I open my eyes  
It's you that I want to see Staring back at me, staring back at me  
Whenever I open my eyes, it's you that I want to see  
Holding onto my body, holding onto my body  
I've found another girl but you keep haunting me I'm holding onto us  
I'm holding onto us  
I'm still connected to our love  
Nothing will ever be enough  
You've got me holding onto us  
You've got me holding onto us  
I'm still connected to our love  
Nothing will ever be enough Nothing feels the same, since I found you  
Everything changed, my heart got moved  
Now I'm so far  
From home  
Standing in the dark, half in love  
With all I need, it's not enough  
You won't leave  
My ghost'Cause I'm still holding onto your body  
Still holding onto your body  
I've found another girl but  
You keep haunting me  
And I'm still holding onto your body  
Still holding onto your body  
Whenever I open my eyes  
It's you that I want to see Staring back at me, staring back at me

Whenever I open my eyes, it's you that I want to see  
Holding onto my body, holding onto my body  
I've found another girl but you keep haunting me You've got me holding onto us  
You've got me holding onto us  
I'm still connected to our love  
Nothing will ever be enough  
You've got me holding onto us  
You've got me holding onto us  
I'm still connected to our love  
Nothing will ever be enough I'm holding onto us  
I'm holding onto us  
I'm still connected to our love  
Nothing will ever be enough  
Holding onto us  
Holding onto us  
Holding onto us  
Holding onto us Holding onto us  
Holding onto us  
Holding onto us  
Holding onto us
