Swagg

New Kidz

[Verse 1]Sixteen already push the Range Rov
My c.e.o made the whole world change clothes
Now we got the whole hood ridin' skate boards
Doin' tricks like oh oh oh
Antiks Y3's and them Ice Creams
Uh oh uh oh yeah i think they like me
Cuz im soo fly like the birds be
You didnt heard me
I keep the beat bump bumpin' till yo head hurt
I keep yo back jerkin' now thats hard work
Just remember baybee where you heard it first
And thats right chea
They heard this record and the thought i gone postal
Well im local you know so
Im global you local come on now
[Chorus][x2]Its gotta swagg to it kinda gotta swagg to it
Its gotta swagg to it kinda gotta swagg to it
Its gotta swagg to it just a little swagg to it
Its gotta swagg badda boom badda bing
[Verse 2]
You aint even gotta ask
I aint even gotta brag
Once a week in the mall
Spendin' money poppin' tags
Tyin' rags around our necks
Yeah im bad you know whats next
Billonaire Boys Club [oh oh oh]
Got my vans on and they look like vans
Canaries in my ear to match whats on my hands
Graffiti on the wall yall better understand
Said yall better understand
Nah na when they hear me they be like yeah me too
Thats why i call them other broads Mrs. Me Too
Cuz they dont skate board doe they say they do like we do
We move breeze through it likee
Preferrably i be dressed better than all ya broads
Fresher than everybody [yessir]
Cuz imma trendsetter
Im known for spendin' chetter

You hattin' on me neverr ever ever
[Chorus][x2]Its gotta swagg to it kinda gotta swagg to it
Its gotta swagg to it kinda gotta swagg to it
Its gotta swagg to it just a little swagg to it
Its gotta swagg badda boom badda bing
