Dead Celebrity Status

[Bobby] Dear Erica, I would cherish you more than life itself.
[Yas] Wait, no you wouldn't.-
[Bobby] Don't Listen to him, he only cares about himself.-
[Yas] alright -
[Bobby] See I would be there through thick and thin,
in sickness and in health, from beginning to end.
You gotta decide, me or him, Erica, tell me I'm curious.
[Yas] Bobby, I didn't mean to cut you off but are you really being serious?
You sound delirious, I can't believe I'm hearing this,
Erica's my girl, she always has been, period.
She hates you, what makes you think she would date you?
You got a new girl, like every week, at least I'm faithful.
[Bobby] Erica, take my advice, like how long have you known me?
I know Yas, he's the kind that'd leave you stranded and lonely.
Why are you lying to me?
So don't come crying to me.
###
just me,
and all I want is a chance,
but you can't make up your mind.
- Erica please.
[Joss Stone]I was happy at the time,
never knowing who was mine.
Now I hear your heart is broken.
- Erica please.
[Joss Stone]I was happy at the time,
never knowing who was mine.
Now I hear your heart is broken.
[Bobby] Hold up, wait a minute,
I ain't afraid of commitment, but Yas is,
trust me, he'd be gone in an instant.
[Yas] Bobby's obsessive, he sleeps next to your pictures.
Now, let me go get Justin to cry you one more river.
- Cry me a river.
big on pleasing but he acts like he mastered it.
I heard two minutes and he's sexually inadequate.
[Bobby] Okay, Yas, he's a loser, and I don't see the attraction,
all those pickup lines he uses, he read 'em in the last Maxim.
And ask him about how he likes to flirt with strangers.

He'd drop you in a second to watch the Indiana Pacers.

[Yas] Bobby, come on, you and Erica are dead wrong,
you'd have better luck hooking up with Stifler's Mom.
[Bobby] Listen, Erica's my soulmate, my fate, my world,
so get that through your head and go chase some other girl.
[Yas] Now Erica's my dream, my Billie Jean, my life.
Now is it him or is it me? You shouldn't have to think twice.
[Joss Stone]I was happy at the time,
never knowing who was mine.
Now I hear your heart is broken.
- Erica please.
I was happy at the time,
never knowing who was mine.
Now I hear your heart is broken.
[Yas] Yo, you need to - pay me a listen, and -uh- follow my vision,
and -uh- stop playing mind games and make a decision.
[Bobby] Listen up, Erica, this whole charade feels senseless.
Never knew a girl could come between friendships.
[Joss Stone]I never meant for this to grow so far,
I'm waiting to find out who you are.
[Bobby] Erica the beautiful
[Yas] slash dangerous,
[Bobby] slash hateful,
[Yas] slash painful,
[Bobby] she's my dark angel
[Yas] oh what a tangled web she weaves,
[Bobby] truly mine,
[Yas] truly yours,
- Erica please.
[Joss Stone]I was happy at the time,
never knowing who was mine.
Now I hear your heart is broken.
- Erica please.
I was happy at the time,
never knowing who was mine.
Now I hear your heart is broken.
Broken.
Broken.
Broken.
