

Temple (feat. M.I.A. & G-Dragon)

Baauer

[Intro: Spoken]

As you move towards the center, you see an open temple
A presence patiently waits for you and as you walk toward the inward glade, you can see her pale, calm,
luminous face[Hook: M.I.A.]

Warriors, go!

Get your freak on

You don't need money 'cos you won't be alone

Go! I'll get you in the zone

You don't need money 'cos you won't be alone[Verse 1: M.I.A.]

Got my lookout, girls got fit boys to look at

Tiger's room, what the fuck you looking shook at?

Fuck it! Touch it good! Flick it! Lick it!

When you come here you wanna get stuck in

Empty your pockets, phone out your jacket

[?] is louder than the racket

In my jungle, don't stumble in my symbol[Bridge: M.I.A. & G-Dragon]

Body body body body body body body bow

Everybody heard about me and everybody know

Faster than a hunter with an arrow to the bow

If he steps close then I'm gonna let it go[Verse 2: G-Dragon]

Body body body body body body body bow

Everybody heard about me and everybody know

Faster than a hunter with an arrow to the bow

If he steps close then I'm gonna let it go[Verse 3: M.I.A.]

My bed is like a lotus and I wake up on it, blessed

Saturday wake up on a belly-belly flex

Every girl together, we can still do it best

People with the money what they do more or less
Focus on the grind and I'm best by default
Step into my temple and you see me on my throne
Gold on the dome, don't drop that drone
If you don't like it then I'm gonna change the tone[Bridge: M.I.A. & G-Dragon]
Body body body body body body body bow
Everybody heard about me and everybody know
Faster than a hunter with an arrow to the bow
If he steps close then I'm gonna let it go
