

# Daisychains

## Youth Group

Listen now my sweet and  
I never meant to cause you pain  
We could have spent all summer  
Sitting here making daisychains I lie awake at night  
Staring at my roof  
Now you're gone For weeks I've had your pretty face  
hanging in my brain  
It's suspended like the reflection  
In a window pane You hang just like a ghost  
Over city streets  
Now you're gone How could i begin to finish  
What i couldnt start  
I'm more general hey ???  
Than napoleon Bonaparte Oh go now just leave  
No more words please  
Now you're gone Listen now my sweet and  
I didn't mean to cause you pain  
I could have spent all summer  
Sitting here making daisy chains I lie awake at night  
Staring at my roof  
Now you're gone
