## Gucci Mane

(Intro)

Wussup niggas?

Where my trap boys at?

I'm talkin Mike Will

Aye yall wanna talk about some getting money

Make shit in the club with Guwop

(Verse)

I wind up bought a criss and my car ain't even out yet

My neck cost a click, label deal and you pull a check

Ways in team fade, got shit loosely

Man yall on that fuck shit

Bought a Rari and another Rari

Spent, I spent a fraction

I just played a cop that I was drunk, don't cut man I just won't

They said that Gucci Mane be runnin dues, woke up was runnin numbers

Makin money's not a problem then we got something in common

It's like them convos keep on comin to me, runnin runnin runnin to me

Throw my pencil stick, my handout

Told yo hoe to run that molly to me

You got a payment for you lately

I got foreign, foreign, trick trickin on me

Yellow Rollie pay attention, red Bentley, Robert Griffin

(Hook)

Mention me, mention mention me

How you mention hustling if you ain't mention me?

Mention me, mention mention mention me

How you mention trapping if you ain't mention me?

Mention me, mention mention mention me

How you mention pimping if you ain't mention me?

Mention me, mention mention mention me

How you mention looting if you ain't mention me?

(Verse)

Gucci Mane perverted, my rap attachÃ© you heard it

Do not disturb on the door because yo girlfriend get you murdered

My watch cost a birdie and a birdie and a birdie

All this Burberry clothing got your girlfriend nervous

Bust a bitch up behind a Maybach curtain

Got 10 shoes with me like the secret secret service

And I push that dope, I push that dope, my bitch so curvy

They call me Benny Jackson how I microwave workin  
And that thing in this dirty when it's clean when it's clean  
Got a queen named Selene when she jump out of some dreams  
Yella yellow strapped on me, I'm in some limit purple wing  
And I will never turn down, thankful to the game  
(Hook x2)
