

# Say Goodnight

**Beth Nielsen Chapman**

Say goodnight not good bye  
You will never leave my heart behind  
Like the path of a star  
I'll be anywhere you are In the spark that lies beneath the coals  
In the secret place inside your soul  
Keep my light in your eyes  
Say goodnight not good bye Don't you fear when you dream  
Wakin' up is never what it seems  
Like a jewel buried deep  
Like a promise meant to keep You are everything you wanna be  
So just let your heart reach out to me  
I'll be right by your side  
Say goodnight not good bye
