

Desire

2 Unlimited

Come closer, baby
I wanna touch you
'Cause I'm filled with desire
It's burning in the block with a fever like fire
Desire
Uuh, there's something on your mind
When you look across the room
I know there's something you can find
Uuh, you're on the borderline
When I look into your eyes
I know there's something on your mind
It's called desire
Desire, the call of the heart
Fix you up and dish my apart
Attraction, without satisfaction
Sure ain't enough 'cause you want interaction
Now, not a moment to waste
Hunger in you know wanna to be
Pulling at your heart, burning in your bud
With people like fire, desire
Lust when your body says much
You can wish at a star but don't trust luck
If you beaten by book, hooked on the draw
Then look for a girl to share your love
Heaven, where the angels don't go
Heaven, where dicks turn to green
It's pulling at heart, running in your head
Makes your skin scream, uh, desire
Desess, leave those body's alone
You got it on your mind and you're not the only one
Attraction, the kiss of introduction
Look into our eyes and the kiss becomes abduction
Here, where the angels don't go
Heaven and nothing but dicks
You playing with your heart, playing with your life
But you know you got to start, desire
Uuh, you fill me up
You fill me up
You fill me with desire

Uuh, something on you mind
Something on your mind
Hey, hey
Uuh, burning like fire
Yeah, you fill me with desire
You fill me with desire
Hey boy, something on your mind
Something on your mind
