

Impetus

Ed Harrison

ImpetusJustification, the means are the end

Doctrine and dogma, I will not relent

This world a garden in need of such weeding

This world a minefield in need of such sweepingImpetusThis ministration without full consent

Fire and brimstone, I will not relent

Just as all good things must come to an end

I will administer as I see fitI will not relent, I will not relent

I will not relent, I am drivenI will not relent, I will not relent

I will not relent, I am drivenImpetus, impetus, impetus

Impetus, impetus, impetus, I am driven
