

Everyone's Summer of '95

Iron & Wine

Me and the boys wanna build your drum
I'm ashamed of the dream
Half way home
I'm going nowhereFlooded just before he spoke
But it came to me
Half way home
I'm going nowhereAll I can tell you is how we spent the time
And it remains strange in somebody's eyesMakin' the day and the dust gets down
Me and the boys with the window shop
And the music
Half way home
I'm going nowhereEveryone's summer of '95
It's their favorite song
Half way home
I'm going nowhereMe and the boys did all kinds of
And I kissed her too
Half way home
I'm going nowhereAnd we all went down
Half way home
I'm going nowhereAll I can tell you is how we spent the time
And it remains strange in somebody's eyes
Back on my feet
In the car ???s black seat
Me and the boys and the billions ring
Come back here
Half way home
I'm going nowhereI'm in the back
But I like it
Half way home
I'm going nowhere
