She's Money

Casey James

You can take everything that I own
You can take everything that Iâ€™ve ever known
You can clean out the bank, burn it all up in flames
Take it all and run, Iâ€™ll be OK
â€˜Cause I donâ€™t need a thing

â€˜Cause sheâ€™s money
Well, sheâ€™s silver and gold
Pure honey
So good for my soul
Whether rain or sunny
Sheâ€™s money

Got all the green I need in her emerald eyes
I got empty pockets, babe, but I still get by
My ride ainâ€™t fancy but she donâ€™t care
That donâ€™t matter as long as it gets us there
And thatâ€™s why

Sheâ€™s money
Well, sheâ€™s silver and gold
Pure honey
So good for my soul
I love this greed
Sheâ€™s all that I need
Whether rain or sunny
Sheâ€™s whoo
Sheâ€™s money, baby

Sheâ€™s money
Oh, sheâ€™s silver and gold
Pure honey, babe
So good for my soul, yeah

Sheâ€™s money
Oh, silver and gold
Pure honey, babe
So good for my soul
I love this greed
Sheâ€™s all that I need

Whether rain or sunny
Sheâ€™s money
Well, sheâ€™s money
