

# Methods of Dance

## Japan

Here's a new design  
The cut and style you know so well  
Spins across the floor It's the same routine  
Just one last word before you go  
Why should I ask for more? Then out of the blue  
You are here by me (Moving) taking my chance  
(Learning) methods of dance  
Methods of dance It's such a price to pay  
You sense the doubt inside my mind  
But never ask me why No second chances now  
I could be sure if I were to live  
At your speed of life (Moving) taking my chance  
(Learning) methods of dance  
Methods of dance (Moving) taking my chance  
(Learning) methods of dance  
Methods of dance
