Breakdown More

Eric Hutchinson

I can't write my words
When I ain't got you
I can't sing my song
When my strings won't tune
You won't believe me
You won't believe me crying
I can't keep my path
When I can't stay motivated
I can't pay my dues
When it gets too complicated
You won't believe me
You won't believe me
So you'll never see me
Give me a reason and I won't breakdown
Give me a reason and I won't breakdown
And if that's all that you've got
You'd better not get caught
I've got more in store
I can't keep my beat
When I ain't got you
I can't shake my sins
When you don't come through
Please never leave me
Please never leave me crying

And I can't feel low down
When I don't have legs to stand on
I can't feel low down
When I there ain't no ground to land on
Please never leave me
Please never leave me
Or you'll never see me
Give me a reason and I won't breakdown
Give me a reason and I won't breakdown
And if that's all that you've got
You'd better not get caught
I've got more in store
Don't look at me and act like you're just blind
Let's work it out before you change your mind

Give me a reason and I won't breakdown
Give me a reason and I won't breakdown
And if that's all that you've got
You'd better not get caught
I've got more in store
Give me a reason and I won't breakdown
And I won't break down if you give me a reason
But I've got no reason
