

# Elizabeth, You Were Born To Play That Part

Ryan Adams

For you, I'd do anything  
Tear myself in two  
Just to hear you breathe  
Calculate the changes that in time  
Turn to nothing and then multiply  
Yourself by my pain  
Over you, is where I stand  
I wish, I knew why  
But I don't understand  
Waiting on someone that just won't show  
And every night it seems like there's no tomorrow  
Not that you will ever know  
Wherever you are I hope you're happy now  
I'm caught in a dream and I can't get out  
I'm caught in a dream, I'm caught in a endless dream  
Wherever you are I hope you're happy now  
I'm caught in a dream and I can't get out  
I'm caught in an endless dream  
I'm not strong enough to let you go  
And I have tried everything but that oh, Elizabeth
