

It's Your Time

Moodrama

Yeah-yeah-yeah

It's your time

It's your time

It's your time

Time

It's your time

It's your time

It's your time

Time

My mama said that before me,
that before me she had to fight for any rights
Her mother told her "girl be bolder than the rest"
She said remember those who gave you the chance
To be who you are today
Don't you think it's about time for you to shine?

It's your time

It's your time

Your time

Time

It's your time

It's your time

Yeah-yeah-eah

Time

Listen my brother, hear me sister, you gots to get it right
It's all you got, just this one slot, ain't no replay
You don't really want to see the demise of mankind in your eyes
Get up stop looking at your shoes and raise your head high

It's your time

It's your time

Your time

Time

It's your time

It's your time

Yeah-yeah-eah

Time

Year by year

Day after day

On and on

Time just ticks away

Time

Time

Time

Hey yeah yeah

It's your time

It's your time

It's your time

Time

It's your time

It's your time

Yeah-yeah-eah

Time

It's your time

It's your time

Time
