

# Giggy Smile (2006 Remaster)

## Faust

Please me baby tease me  
And I love your giggy smile  
Lots of naked Germans  
Where at last we used to cry Better touch me before you go down Kill me but don't kill me baby  
Naked Lunch was fun  
God it's crazy I'm so lazy  
In the rising sun  
Better touch me before you go down
