

Human Connect To Human

Tokio Hotel

With me
Somewhere
One night
To share
Just you
And me
We spread
Deceive

Eyes catch, you are so natural Human connect to human

Boy meets girl, know what to do

Human connect to human

How can I connect to you? Human connect to human

Boy meets girl, know what to do

Human connect to human

How can I connect to you? A kiss

A touch

Never

Enough

So soft

So hot

Don't stop

You start

And test the skills like animal Human connect to human

Boy meets girl, know what to do

Human connect to human

How can I connect to you? Human connect to human

Girl meets girl

Know what to do

Human connect to human

How can I connect to you? Let me interact

How can I connect? Let me interact

How can I connect? Hit me!

Hit me!

Hit me! Human connect to human

Boy meets girl, know what to do

Human connect to human

How can I connect to you? Human connect to human

Boy meets girl, know what to do

Human connect to human

How can I connect to you?
