

Open Your Heart

Crush 40

Thunder, rain, and lightning

Danger, water rising

Clamour, sirens wailing

It's such a bad sign

Shadows of dark creatures

Steel clouds floating in the air

People run for shelter

What's gonna happen to us!?

All the steps we take, all the moves we make, all the pain at stake

I see the chaos for everyone who are we, what can we do

You and i are same in the way that we have our own styles that we won't change

Yours is filled with evil and mine's not there is no way i can lose

Can't hold on much longer - but i will never let go!

I know it's a one way track - tell me now how long this'll last!

I'm not gonna think this way - nor will i count on others!

Close my eyes and feel it burn - now i see what i've gotta do!!

Open your heart, it's gonna be alright

Ancient cities blazing

Shadows keep attacking

Little children crying

Confusion, hopeless anger

I don't know what it can be but you drive me crazy

All your cunning tricks make me sick, you won't have it your own way

Can't hold on much longer - but i will never let go

I know it's a one way track - tell me now how long this'll last

I'm not gonna think this way - nor will i count on others

Close my eyes and feel it burn - now i see what i've gotta do

Open your heart...and you'll see...

If it won't stop, there will be no future for us

Its heart is tied down by all the hate, gotta set him free

I know it's a one way track - tell me now how long this'll last

Close my eyes and feel it burn - now i see what i've gotta do

Gotta open your heart, dude!

Can't hold on much longer - but i will never let go

I know it's a one way track - tell me now how long this'll last

I'm not gonna think this way - nor will i count on others

Close my eyes and feel it burn - now i see what i've gotta do

Open your heart, it's gonna be alright
