# Crash And Burn

## Autodafeh

When you feel all alone
And the world has turned its back on you
Give me a moment please
To tame your wild, wild heartI know you feel like the walls are closing in on you
It's hard to find relief
And people can be so cold
When darkness is upon your door
And you feel like you can't take anymoreLet me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
If you need to crash then crash and burn you're not aloneWhen you feel all alone
And a loyal friend is hard to find
You're caught in a one-way street
With the monsters in your head
When hopes and dreams are far away
And you feel like you can't face the dayLet me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
If you need to crash then crash and burn you're not aloneBecause there has always been heartache and pain
And when it's over you'll breathe again
You'll breathe againWhen you feel all alone
And the world has turned its back on you
Give me a moment please
To tame your wild, wild heartLet me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
If you need to crash then crash and burn you're not aloneLet me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
And if you need to crash then crash and burn you're not alone
(Alone)Let me be the one you call

If you jump I'll break your fall
(You're not alone)
Lift you up and fly away with you into the night
(No no you're never alone)
If you need to fall apart
I can mend a broken heart
(You're not alone)
If you need to crash then crash and burn you're not alone
(If you need to crash then crash and burn you're not alone)Let me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
(You're not alone)
I can mend a broken heart
(No no you're never alone)
And if you need to crash then crash and burn you're not aloneLet me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
