## From First to Last

Advisory - the following lyrics contain explicit language:

Kill the lightsHello ladies and gentlemen  
I'm glad you've graced me with your presence  
You're in time to see me wrestle with my conscience  
Staring into the si-si-silenceYou see I came to save the stage  
I hope I'm not too late  
Passion called from back  
Behind the curtain screaming"Sonny, this is urgent  
Fill these 50 voices with a purpose  
But don't just give it away  
Inspiration isn't cheap these days  
You better make them earn it"You better  
Make them earn it  
Make them earn itYou better  
Make them earn it  
Make them earn itHello ladies and gentlemen  
I'm glad you've graced me with your presence  
You're in time to see me wrestle with my conscience  
Staring in the si-si-silenceYou see I came to save the stage  
I hope I'm not too late  
Passion called from back behind the curtain screaming  
"Sonny, this is urgent"You see I came to save the stage  
I hope I'm not too late  
Passion called from back behind the curtain screaming  
"Sonny, this is urgent"How do I address a letter to my generation?  
"Sonny", she said, "Save yourself the postage"  
How do I address a letter to my generation?  
"Sonny", she said, "Sing it in person"
