

Let's Dance

Benny Goodman, Teddy Wilson, Gene Krupa, Alan Reus

She says she's no good with words but I'm worse
Barely stuttered out a joke of a romantic stuck to my tongue
Weighed down with words too over-dramatic
Tonight it's "It can't get much worse"
Vs. "No one should ever feel like..."I'm two quarters and a heart down
And I don't want to forget how your voice sounds
These words are all I have so I'll write them
So you need them just to get byDance, dance
We're falling apart to half time
Dance, dance
And these are the lives you love to lead
Dance, this is the way they'd love
If they knew how misery loved me
You always fold just before you're found out
Drink up it's last call,
Last resort
But only the first mistake and I...I'm two quarters and a heart down
And I don't want to forget how your voice sounds
These words are all I have so I'll write them
So you need them just to get byWhy don't you show me a little bit of spine
You've been saving for his mattress, loveDance, dance
We're falling apart to half time
Dance, dance
And these are the lives you love to lead
Dance, this is the way they'd love
If they knew how misery loved me
Why don't you show me a little bit of spine
You've been saving for his mattress (mattress, mattress)
I only want sympathy in the form of you crawling into bed with meDance, dance
We're falling apart to half time
Dance, dance
And these are the lives you love to leadDance, this is the way they'd love (way they'd love)
Dance, this is the way they'd love (way they'd love)
Dance, this is the way they'd love
If they knew how misery loved meDance, dance
Dance, dance
Dance, dance
Dance, dance
