

Hand In Hand

Hanson

Well say goodbye
Whoa, whoa-oh
I know just how much I love you
There is no time to explain
I realize
Just what I'd give to
Get you back in my arms
And I
Chorus:
I see you hand in hand
With another man
And I don't know
What you see in him and why you let us go
If you're gonna lie
At least you could just let us die
If you're gonna cry to me baby
At least you could just say goodbye
Say goodbye
Well, I'm caught between myself and me
And I, I can't find the bridge from my mind to reality
I'm trying to find
A place in the sun
But I'm drowning in the rain that's fallin' every
place I go
[Chorus]
Well, I'm not gonna sit around
Just waiting for you at all
Oh, I said, no, no, no, ohhh
I'm not gonna sit around
Just waiting for you to come back to me baby
Ohhhh
I can't see what you see
I can't see beyond the window pane
I can't find what you find
I can't see beyond the windowpane
Say goodbye, say goodbye now
Say goodbye, say goodbye now
Say goodbye, say goodbye now
Say goodbye, now

Well if you're gonna lie
The least you could is just let us die
If you're gonna cry to me baby
The least you could is just say goodbye
Well if you're gonna lie
The least you could is just let us die, let us die
If you're gonna cry to me baby
The least you could is just say goodbye
Yeah, say goodbye
Say goodbye, say goodbye, say goodbye now
Oh yeah
Say goodbye, just say goodbye now
Say goodbye, say goodbye, goodbye now
Say goodbye, won't you say goodbye now
Say goodbye, say goodbye, say goodbye
Won't you kiss me goodbye
Gotta tell me goodbye
Say goodbye, say goodbye now
Say goodbye, say goodbye now
