

# Sweet Woman

Freddie Nystrom

You make me high, and you make me cry  
You make me high, and you make me cry  
Ohh sweet woman, you' re over the top

Easy on the eye, you can make me fly  
Easy on the eye, you can make me fly  
Ohh sweet woman, you' re over the top

solo part

You have me down, down on my knees  
You have me down, down on my knees  
Ohh sweet woman, you' re over the top
