LOVE ADDICT

Vamps

Hey! Keep on rolling
Baby I want to explode
Oh yes, need you darling
With the growling exhaust noteI'm a love addict
Come light my fire
A love addict
I'm already a love addictYeah just free your mind
Yeah let's get it on now
Yeah just free your mind
Yeah let's get it on nowMom, I'm sorry
Am I playing some bad games
We starve like cherries
Baby I want to explodeI'm a love addict
Come light my fire
A love addict
I'm already a love addictYeah just free your mind
Yeah let's get it on now
Yeah just free your mind
Yeah let's get it on nowRide on time let go [Repeat x4]I'm already a love addict
A love addict
I'm already a love addict
Come light my fire
I'm already a love addict
A love addict
I'm already a love addictCome light my fireYeah just free your mind
Yeah let's get it on now
Yeah just free your mind
Yeah let's get it on nowRide on time let go
Ride on time let go
Ride on time let go
Ride on time let go
