

Wrong Feels So Right

Carly Rae Jepsen

You got your way with me now didn't cha
And I don't know why
Things you do are things we've done before
Don't you be lookin' at
me darlin'

With your sneaky eyes
Now what could you be lookin' at me for
Sometimes when I'm lonely I close my eyes
Some nights when I can't sleep I fantasize
Hard to believe that you're right here tonight
I'm goin' out of my mind

Uh oh uh oh uh oh uh oh uh oh uh oh ohhh

I think
This could be
The one night
I give in to this fight
Boy I just might
Cause you rule my head
I can't stop the motion
Hold me
Be the way you told me
Whisper somethin' so sweet
This could be the night
Wrong feels so right
This could be the night
Wrong feels so right

Breakin' my heart to see you lover

And I don't know why

Things you say are things you've said before
?Stead of the truth

I swear you'd stick a needle in your eye
Now what could you be lookin' at me for
Sometimes when I'm lonely I close my eyes
Some nights when I can't sleep I fantasize
Hard to believe that you're right here tonight
I'm goin' out of my mind

Uh oh uh oh uh oh uh oh uh oh uh oh ohhh

I think
This could be

The one night

I give in to this fight
Boy I just might
Cause you rule my head
I can't stop the motion
Hold me
Be the way you told me
Whisper something so sweet
This could be the night
Wrong feels so right
Tell me what was I supposed to do
With that type of attention
I gave all that I had to you
You forgot to mention
When you say that your heart is true
It's just an invention
But not your intention
Ohh
Tell me what was I supposed to do
With that type of attention
I gave all that I had to you
You forgot to mention
When you say that your heart is true
It's just an invention
But not your intention
I think
This could be
The one night
I give in to this fight
Boy I just might
Cause you rule my head
I can't stop the motion
I can't stop the motion
I can't stop the motion
Stop the motion
Stop the motion
Wrong feels so right
This could be the night
Wrong feels so right
This could be the night
Wrong feels so right
