I'm Getting Stronger

Dan Lemur

So many bruises so many scars
Cherish them they represent who you are
When illusion is larger than life
And you're running scared
Cause there's nothing there
Dark forest with bushes and thorns
And I'm falling and stumbling
And breaking my bones
And I can't give up now
I'm almost home
(X2)

I'm getting stronger yeah
I'm getting lighter yeah
I'm getting purer yeah
I'm shining brighter yeah
I'm getting stronger yeah
(X2)
