

# I'm Getting Stronger

**Dan Lemur**

So many bruises so many scars  
Cherish them they represent who you are  
When illusion is larger than life  
And you're running scared  
Cause there's nothing there  
Dark forest with bushes and thorns  
And I'm falling and stumbling  
And breaking my bones  
And I can't give up now  
I'm almost home  
(X2)

I'm getting stronger yeah  
I'm getting lighter yeah  
I'm getting purer yeah  
I'm shining brighter yeah  
I'm getting stronger yeah  
(X2)
