Stingy

Stacy Barthe

I damn near lost my mind
Tryna find that piece of mind
Tryna be ok with the fact that
I might not be the only one
It's just your loving is good
Sometimes I wish I could
Bottle you up and open you up when no one's around
You know I would
You know I, you know I
I'm stingy with your love, stingy with your love
You know I, you know I would
You know I've been doing what you love
You know I'd fall
I know it's only half goodbye
But I could feel all in their eyes
And I just got a love pass
You ain't even checking
Every time it's something, get studied think it's nothing
And baby I'm a woman, I know these things
You know I would, you know I
You know I
I'm stingy with your love, stingy with your love
You know I, you know I
You know I'm stingy with your love
You know I'd fall
I'm not tryna share your love with no one else
'Cause your love is so good
Your love is too good
You know I, you know I
You know I
I'm stingy with your love, stingy your love
You know I, you know I
You know I
You know I've been doing what you love
You know I'd fall
