

Pure Hatred

Chimaira

Advisory - the following lyrics contain explicit language:

I have told you things need to change
You never listened or came to my aid
The vicious cycle has not changed
My times spent rearranged Mother fuck it all, I can't stand this
Remember what I said
Everyone makes me sick
Well nothing has changed I hate everyone
I hate everyone The vicious cycle still remains
Constant cluster fuck, bloodstains
Ignorance, you kill for God
Expression not allowed You fucked it up
With your mother fucking games
Remember when I said, "I was so ashamed"
Well, nothing has changed I hate everyone
I hate everyone You have to
Pick and choose your fights
You have to
Come out of this alive I have told you things need to change
You never listened, never came to my aid
The vicious cycle still not changed
My judgment fades away You'll never change me
Remember we are through
I am staying here to betray all of you
And nothing will change I hate everyone
I hate everyone
I hate everyone
I hate and I hate
And I hate everyone
