

As I Destruct

Threat Signal

I embrace this pitiful race
Reaching
Out to a world of disgrace
I'm willing to sacrifice
Implosion of
Emotion never reaching prime
Burning inside the mind
All these thoughts must unwind
Stirring close to the edge
Never reaching the end
I am falling down
Forever in spite over you
Save me as I fall
As I destruct
It's not to late
To design
And reveal a notion
It's not to late
To indulge and find a solution
My silence
Won't heal the damage inside me
Fallen from grace
I refuse to die with the answers

Time to go
Into the void, to the unknown
Time to go
Today will mark evolution
When all is lost
I'll never end
Striving to live again
