

# Back Home

[Eric Clapton](#)

I've been on the road too long  
Moving in the wrong direction  
I don't know where I belong  
I don't know what I will do  
If I can't get back home Troubles I got on my rope  
They don't fit no other person  
The memories keep rollin' on  
And I don't know what I will do  
If I can't get back home I don't fit but I don't give a damn  
I won't quit 'cause I know who I am  
And I'll admit and I've been on the left Bit by bit, I'll review my plan  
This is it, do the best I can  
Trust and understand 'Cause I know that I am loved  
'Cause I'll be on my way  
Got no need to stay 'round here 'Cause I been on this road too long  
Going in the wrong direction  
And I don't know where I come from  
All I know is I will die  
If I don't get back home
